

Proactive Advocacy on Capitol Hill and All 50 State Capitols

NAFA is tireless in its efforts to form relationships and educate audiences about the value of all forms of fixed annuities.

NAFA does not believe the fight to protect fixed annuities is over. We must be armed and prepared to protect and defend our products. You can count on NAFA to advocate on your behalf through the constant monitoring of potential hazards and opportunities with state/federal regulators and legislators, including:

- ▶ Dedicated Washington D.C. lobbyist proactively advocates for legislation which positively impacts our industry and promotes the awareness of factual information about fixed annuities
- ▶ State-by-state monitoring and action on legislation and regulation impacting our industry, including monitoring developments with every state's Department of Insurance and advocating in each state to defend the role of fixed annuities in the marketplace
- ▶ Actively participating in the National Association of Insurance Commissioners (NAIC)
- ▶ Monitoring and commenting on federal and state issues related to fixed annuities and retirement savings issues
- ▶ Providing timely updates to keep our members abreast of opportunities for and challenges to product distribution and design

NAFA works to proactively educate consumers and the media through educational publications, public comment, and a website for consumers and the media at www.FixedAnnuityFacts.org.
